

THE AMENDMENT

In the Specification:

In the English specification, at page 1, line 5, before "OBJECT OF THE INVNETION," insert the following paragraph:

This application is a National Stage of International Application PCT/FR2003/002447, filed August 1, 2003; which claims the priority of FR02/10306, filed August 14, 2002.
